

2023 Impact Report

Women & Children's
FREE RESTAURANT COMMUNITY KITCHEN

Celebrating
35 Years!

Message FROM THE EXECUTIVE DIRECTOR

As I reflect on the past year, I am overwhelmed with inspiration and gratitude, knowing that our community is a steadfast pillar in our mission to fill nutritional gaps. Our 2023 annual impact report is a vibrant testament to the unwavering dedication of our staff, volunteers, partners, and supporters.

Our report isn't just a collection of numbers and statistics; it's a heartfelt celebration of 35 remarkable years dedicated to uplifting women and children in our community. For three and a half decades, we've been weaving a tapestry of support, empowerment, and love, transforming lives one meal, one program, and one relationship at a time.

Over the past year, we have witnessed the profound impact of our efforts, transforming the lives of countless families in our community. With our carefully planned nutritional support, women have been empowered to stay in their homes, pursue careers, and afford safe, dependable childcare—all amidst the backdrop of soaring food prices. This support not only sustains their daily lives but also nurtures their dignity and resilience, proving that with the right resources, families can thrive even in challenging times.

I am immensely proud of our dedicated staff and volunteers, who selflessly set aside their own concerns to stand on the front lines of Spokane County's hunger relief efforts. Their remarkable spirit and commitment allow us to continually seek innovative solutions, enhancing and streamlining our operations to better serve our community. Together, we embrace the future with optimism, determined to uplift those in need and foster a spirit of solidarity and support.

In the following pages, you'll discover recent triumphs, including securing our largest-ever grant of \$500,000 from the WSDA program. This competitive funding enables us to source healthy foods from local Washington growers and businesses, forging invaluable relationships with partners who share our vision.

Your unwavering support has been the secret ingredient in our recipe for success, ensuring that every meal we provide is served with dignity and respect. Let's persist in stirring the pot of hope and resilience because when we come together, we can genuinely nourish both body and spirit. Join us as we continue this vital mission, and help us create a community where everyone thrives!

Thank you for being an invaluable part of the WCFR family!

With gratitude,

Our Mission

Women & Children's Free Restaurant & Community Kitchen is a vital safety net that fills nutritional gaps for women and children in need while fostering dignity and respect, both within our restaurant and in the community.

Who We Serve

Fifty thousand women and their children in our community live in poverty. In Spokane, 1 in 5 children are food insecure. Poverty runs deep in our community, especially for women. A single mother with two small children must earn \$27 an hour to meet her basic living expenses. Poverty and food insecurity also disproportionately affect older adults on fixed incomes, women with disabilities, women of color, and those experiencing homelessness.

Every day, the pathway to a more secure future starts with food. But "enough" food isn't enough! A truly just society must also ensure nutrition and improve access. Women & Children's Free Restaurant & Community Kitchen does just that! We transform donated whole-food ingredients into nourishing, ready-to-eat meals. We also deliver nutritional meals to numerous partner locations throughout Spokane County. In 2023, we provided 1,105,036 meals to families already in need and thousands more due to the lingering impact of the pandemic. This was more than eleven times the number of meals we served before the pandemic.

Our Volunteers

We would not be the thriving and welcoming place we are without the wonderful volunteers who help us daily! Our volunteers do everything from prepping food and washing dishes to laundry and handyman projects. In 2023, 339 volunteers gave 9,793 hours, the equivalent of nearly five full-time employees.

If you have questions about volunteer opportunities or would like to sign up to become a volunteer, visit our website at www.wcfrspokane.org/volunteer or email Jessica Gebhardt, our Volunteer Services Manager, at volunteer@wcfrspokane.org.
